### LOCATION:

Bodrum is one of the most popular holiday destinations of Turkey, which is now seen as a rival to Saint Tropez. Situated in Torba Bay of Bodrum Peninsula, the hotel is 10 minutes drive away from north of Bodrum and 25 minutes drive away from the international Airport.

Torba Bay, the old fishing village is situated on a pretty bay surrounded by green hills and cooled by gentle breezes. It's a quite chic place attracting affluent families and artists.

### CLIMATE:

The resort's northern location offers the peninsula's mildest weather all year round. Winters are warm with low humidity, where as high season temperatures range from 28° C - 35° C (75° F - 90° F) with a constant mild Mediterranean breeze.
